CITIES, TOWNS, AND COUNTIES

*Nationally Bid,
Locally Awarded*

The Association of Educational Purchasing Agencies (AEPA) is a multi-state non-profit organization whose members share the common goal of saving public agencies money.

Don't let our name fool you. While our main audience is public schools, AEPA is extended in many states to serve towns, cities and counties. Think of AEPA for your parks, pavilions, public kiosks, digital signage, restrooms, street and other LED lighting.

There are no membership forms to fill out or costs to participate. In most cases, customers will work directly with the vendors for pricing and ordering information. Simply contact the vendor(s) you are interested in and request AEPA contract pricing.
