

# With a **sensory tool bag**, you're always ready to help.

Sensory Tool Bags put the tools at your fingertips that can help with attention, focus, transitions, and self-regulation.

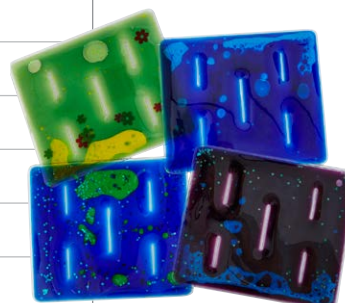

- Choose an early childhood, elementary, or secondary bag.
- Fill it with our curated list of tools, or customize your items and quantities.
- Grab your bag. Then make a difference.

# Early Childhood Sensory Tool Bags

This selection is full of smart sensory tools for early learners. It includes additional activities for fine motor skills as well as deep touch pressure and spatial boundary solutions for calming and organizing. Recommended ages 3 and up. Use with supervision.
